CROPS, COSTS AND VARIATIONS

Mittal Publications, New Delhi, 1990. N.A. Book Condition: New. Xxxii+415pp This study based on Farm Management Investigation conducted in India examines the extent and causes of inter-year as well as inter-regional variation in the cost of production of some major crops in India. It also highlights the changes in cost-structure and cost-price relationship with reference to technological change. The study also seeks to examine how far the regional cropping patterns are determined on the basis of the principle of comparative advantage....
