The Washington Posts must-read guide to the health care overhaul What now Despite the rancorous, divisive, year-long debate in Washington, many Americans still dont understand what the historic overhaul of the health care system willor wontmean. In Landmark, the national reporting staff of The Washington Post pierces through the confusion, examining the new laws likely impact on us all: our families, doctors, hospitals, health care providers, insurers, and other parts of a health care system that has grown to occupy one-sixth of the U.
