

Song of My Life: A Memoir (Hardback)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

SONG OF MY LIFE: A MEMOIR (HARDBACK)

University of South Carolina Press, United States, 2014. Hardback. Book Condition: New. 231 x 163 mm. Language: English . Brand New Book. With the discipline of a surgeon performing a critical operation, acclaimed storyteller Harry Mark Petrakis strips away layers of his nine decades of life to expose the blood and bone of a human being in his third memoir and twenty-fifth book, *Song of My Life*. Petrakis is unsparing in exposing his own flaws, from a youthful gambling addiction, to the enormous lie of his military draft, to a midlife suicidal depression. Yet he is compassionate in depicting the foibles of others around him. Petrakis writes with love about his parents and five siblings, with nostalgia as he describes the Greek neighborhoods and cramped Chicago apartments of his childhood, and with deep affection for his wife and sons as he recalls with candor, comedy, and charity a writer's long, fully-lived life. Petrakis recounts the near-fatal childhood illness, which confined him to bed for two years and, through hours of reading during the day and night, nurtured his imagination and compulsion toward storytelling. A high school dropout, Petrakis also recalls his work journey in the steel mills, railroad depots, and shabby diners of the city. There is farce and comedy in the pages as he describes the intricate framework of lies that drove his courtship of Diana, who has been his wife of sixty-nine loving years. Petrakis shares his struggles for over a decade to write and publish and finally, poignantly describes the matchless instant when he holds his first published book in his hands. The chapters on his experiences in Hollywood where he had gone to write the screenplay of his best-selling novel *A Dream of Kings* are as revealing of the machinations and egos of moviemaking as...
