Brand New Book ***** Print on Demand *****.Because of the ramifications, divorce and remarriage is one of the most hotly debated biblical issues in the church today. Many people find this issue to be a challenging subject. Preachers and dedicated Bible students have written numerous books and engaged in countless discussions seeking to answer the question of whether one who has been divorced, or has divorced, may marry again. Yet Christians are far from united on this issue. Many find it so difficult and troublesome to discern the truth that they refuse to even open their mind to an honest study of the subject. Others are so fully convinced they have the answer and that what they know is so vital to truth and morality, they will have no fellowship with those who differ with them. Does God intend for divorced women to remain celibate? Will divorcees be judged as having committed a sin by remarrying? Do you know what the Bible actually says concerning marriage-divorce-remarriage (MDR)? In his honest look at MDR, Robert Waters examines the Greek word *apulo* (put away) and discusses its true meaning in the context of Jesus time. Through this examination, to include a comprehensive study of relevant passages and a thorough rejoinder to opposing arguments, Waters guides the reader to a better understanding of MDR and God s intention for divorce in Put Away but Not Divorced.
