SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Boys Get Anorexia Too: Coping with Male Eating Disorders in the Family, Jenny Langley, 'The book is immensely reassuring to any parent who has experienced at first hand the problems that a young boy already caught up in the maelstrom of adolescence can both experience and cause when anorexia arrives. Any parent or carer concerned about a boy who may be developing or has already developed an eating disorder will find this book useful and supportive even when it is talking about the most difficult problems that affect sufferers and their families' - Signpost 'This is a detailed observational account of severe Anorexia Nervosa in a boy, and the effect on his family. It documents their emotional and torturous journey through treatment back to full health. The descriptions of the disorder are written without jargon and with great accuracy. The book is packed with practical tips on how to manage everyday situations. This is truly a book that adolescents, their families, and clinicians should read' - Dr David Firth, Consultant Child and Adolescent Psychiatrist 'Boys don't get anorexia' is a phrase that any parent who is concerned about a son who is losing too much weight or exercising excessively will hear at some time or other. Well, boys DO get eating disorders and in this very personal and insightful book, Jenny Langley looks at what it means to have a son who does in fact have anorexia. Jenny writes about the way in which the disorder crept up on her family and then seemed to take over the household. The slow painful climb of [her] son back to recovery is recounted in uncomfortable detail. Ultimately however this is a story of hope. Joe does recover eventually and although life is by no...
