The Blackburn Press, United States, 2002. Paperback. Book Condition: New. 256 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.Many people are frustrated by their inability to determine the identity of a woody plant growing in their backyards, neighborhood parks, along a roadside or at a vacation site. **Woody Plants for the Central and Northern Prairies** attempts to assist them by providing descriptions and sketches of most of the native and exotic plants that they are likely to find or wish to grow.
