This item is printed on demand - Print on Demand Neuware - Literature Review from the year 2014 in the subject American Studies - Literature, grade: A, Atlantic International University, course: PhD JOURNALISM, language: English, abstract: Gregg Braden s book, The Divine Matrix that seeks to justify and offer meaning to the origin of both the tangible and intangible things of the universe offers one of the most elusive and divisive evidence. The origin of the web of energy in the universe has for many years been a bone of contention between the church and science. From the time of Galileo to the modern times marked with technological advancements to carry out research, humanity has failed spectacularly to comprehensively and neutrally define their origin and everything around them. 12 pp. Englisch.
