A Science Fiction Adventure that will take you from the last days of Earth into the far future and the destiny which awaits us all. This book will appeal to fans of science fiction as well as all those who love a good drama, no matter where its set. The narrative style is easy to read, yet engaging and surprisingly detailed. You will fall in love with the characters, especially the robots, as they learn and grow to become the siblings Tamsin, our protagonist, always wanted. Inspired by some of the best science fiction stories, Arthur C Clarke's The Songs of Distant Earth being just one of many, this story is ambitious, as this first book lays the groundwork for two more to follow.
