## The Fish Rots from the Head: Brazilians on Corruption

By A H Lin

America Star Books, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.To the outsider, Brazil is a happy democracy rising on the world stage, future home to the Olympics and the World Cup of soccer. In truth, the world's tenth largest economy has only the 169th best distribution of income, giving it extremely high rates of poverty and violence for a rich country not at war. After 500 years without a true democracy, it resembles a feudal oligarchy. Based on interviews with Brazilians, *The Fish Rots from the Head* uses a nonacademic style and an informal tone to report how government officials commit white-collar crime with impunity. Even confessed murderers won't go to jail if they have money for legal appeals. The citizens describe an essentially dishonest government built upon a Constitution which guarantees a kleptocracy. They say their government cannot reform itself, not without the insistence of a popular movement. Unfortunately, the people, themselves, say they are incapable of action. *The Fish Rots from the Head* reports the written and spoken opinions of Brazilians and contains information which will be irritating to the rulers...

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*
