Random House USA Inc, United States, 2009. Paperback. Book Condition: New. 202 x 130 mm. Language: English . Brand New Book. A classic from the renowned Japanese novelist about isolation and the threat of a nuclear holocaust, *The Ark Sakura* is as timely today as it was at its original publication. In this Kafkaesque allegorical fantasy, Mole has converted a huge underground quarry into an ark capable of surviving the coming nuclear holocaust and is now in search of his crew. He falls victim, however, to the wiles of a con man-cum-insect dealer. In the surreal drama that ensues, the ark is invaded by a gang of youths and a sinister group of elderly people called the Broom Brigade, led by Mole's odious father, while Mole becomes trapped in the ark's central piece of equipment, a giant toilet powerful enough to flush almost anything, including chopped-up humans, out to sea.
