By sharing her journey and putting herself out there, flaws and all, she is helping others seeking to go beyond the intellectual understanding of truth to the actual experience of truth. -Linda Jean McNabb, author of *One Again In a nutshell*, my experience with *Dancing With Duality* was one of the most humbling and levitating I ve ever had with a book - leaving me in a state of transcendence: beyond the games of space, time, and best of all, words. -Deke Castleman, author of *Whale in the Desert* Get ready for a wild ride with a courageous woman who reveals in stark honesty her journey through many diverse paths of life before she lands on the one uniquely her own. A must read for anyone looking for the courage to seek their own truths. -Scott Stevenson, author of *Looks Easy Enough: A Joyful Memoir of Overcoming Disease, Divorce and Disaster* Vance s examined life is an excellent example of how enlightening it can be to review one s past as a powerful exercise in finding patterns and recurring lessons. The author shares her ups and downs in an admirably objective way to impart the vast wisdom she has amassed from remaining flexible and open-minded. This memoir is as heartfelt as it is genuine and I believe its message will impact many lives in unforgettable ways. -LindaJoy Rose, Ph.D., author of *Your Mind: The Owner s Manual* and *Raw Fusion: Better Living Through Living Food* Stella Vance s *Dancing with Duality* is absolutely a must read for today...
