This item is printed on demand - Print on Demand Neuware - Essay from the year 2015 in the subject Sociology - Gender Studies, grade: 2,7, University College London, language: English, abstract: Leo Bersani, a renowned professor in the French Department at the University of California Berkley, is widely seen as a psychoanalytically engaged writer. In collaboration with his friend Adam Phillips, he wrote a dialogue and interview between the two of them called *Intimacies* in 2008. Bersani's book is as complex and interesting as one could expect. To put it in a nutshell, he accuses queer theorists not to live their lives like they want you to do it in their own writings. In the following paragraphs I will try to briefly explain what queer theory is about in order to make an analyse of Bersani's point of view about queer intellectuals. 16 pp. Englisch.
