BN Publishing. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 8.9in. x 6.1in. x 0.4in. Students, for many years, have come to this school asking for a better understanding of God, and desiring knowledge of the best way to get the most out of life. They have heard God spoken of as being afar off, when He is as close to us as the breath we breathe, closer than our hands and feet. They have heard Him spoken of as: Love, Divine Mind, Divine Intelligence, God, Lord, First Cause, Primal Substance, and other names. Being of an analytical mind I, too, have wanted to know the facts of a Truth. If it is a Truth, there are facts to be had, and they can prove themselves, not alone in Spirit but in a very practical way. It is my intention to present these lessons simply, without high-minded words or vague statements that sound pretty and promising. The terms above named are all synonymous. They mean one and the same thing, and I choose to use a simpler name that everyone will understand. I shall call God working in our lives LAW. Raymond Holliwell This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
