Joyful Child, the

By Susan Stephenson

The Michael Olaf Company, United States, 2013. Paperback.
Book Condition: New. 202 x 134 mm. Language: English . Brand New Book ***** Print on Demand *****.Every culture has wisdom but in modern times much of it has been lost. The first three years of life are too important for experiments, but the Montessori guidelines presented here have held true all over the world, no matter what the culture of the child, for over 100 years. It is the goal of this book to help parents look for, discover, appreciate, and support the mental, physical, and emotional needs of the child in the first three years of life. There are over 180 black and white pictures from the author's work around the world with children from birth to three years of age. The Joyful Child is used in Montessori teacher training centers, middle school human development classes, birth preparation classes, and it is of interest to anyone studying education and child development. It has been translated into several languages and is often used as a text for parenting classes. Chapters: The First Year-The senses: Before birth; music and language; crying as communication; seeing and processing; the absorbent mind; materials The...
