EMOTION, AGING, AND HEALTH (HARDBACK)

American Psychological Association, United States, 2016. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Although older adults face significant health challenges, they tend to have better emotion regulation skills than younger or middle-age adults. Why is this so? And how might we use this knowledge to promote better health and well-being in adulthood and later life? This book explores the reciprocal relations between aging and emotion, as well as applications for promoting mental and...
