Many times several colours are used on a letterhead, or other printed matter, which could be eliminated without detracting from the effectiveness of the general appearance. It is important that the punching on all forms for binders be of standard size and distance apart, so that they will fit standard or stock binders. This helps to cut down the cost of special binders for different forms. Watching the Various Markets.--In buying supplies and equipment for the creamery industry, as in any other line of business, the purchasing agent should keep in close touch with the markets on the various supplies he is buying. This information can be obtained by keeping in contact with the supply manufacturers, by reading market reports in the newspapers and trade journals, and by consulting other buyers. There...
