

Conquered Into Liberty: Two Centuries of Battles Along the Great Warpath that Ma

By Cohen, Eliot A.

Free Press. 1 Paperback(s), 2011. soft. Book Condition: New. The real conflict that consolidated the United States, suggests Eliot Cohen, was the struggle between five groups: the British, French, Americans, Canadians, and Indians who fought over the corridor running from Albany to Montreal, known to Native Americans as the "Great Warpath." Cohen explores how a distinctly American approach to war developed along these 200 miles, and reintroduces historical figures we thought we knew: an admirable Benedict Arnold, a traitorous Ethan Allen, and a devious George Washington. "A brilliant history of our least-known wars on our most-ignored frontier: our northern border with Canada." LA Times 405.
