By Andrew Dewar

Tuttle Publishing, United States, 2007. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. Fold and fly your own realistic paper airplanes with this easy origami book and folding papers. Simple Origami Airplanes presents a collection of realistic origami paper airplanes from well-known author and paper aviation expert Andrew Dewar. Dewar has spent decades perfecting the art of folding easy paper airplanes that both look great and fly well. Simple Origami Airplanes features models with sturdy wings and fuselages--these designs are so perfectly balanced that a gentle throw results in amazing flights, time after time. All the origami projects are designed to be simple enough to be considered origami-for-kids projects, and can be assembled by beginning origami folders. Paper airplanes are a great way for children to learn origami and gain an interest and appreciation for this fascinating art form. The flashy folding papers already have plane images printed on them, making the finished origami planes look as awesome as they fly. This origami book contains: Full-colored origami assembly book Step-by-step instructions and diagrams 16 original design projects for planes 60 two-sided origami folding papers A variety of colors with printed fold lines Fun and accessible...
