You're ready to upload your masterpiece onto Kindle. You have no pictures, no bells and whistles - why does it seem so complicated? For Text only Books - Everything you need to know for Taking Your Manuscript and Making it Kindle Compatible in Seven Easy Steps! Great for beginners overwhelmed with information, invaluable for the pro who needs a quick checklist. Learning ebooks was a challenge, especially for those of us who were at the very start of this huge revolution. We had no idea that it would bring in the revenue it has, grow as quickly as it has, and be as exciting as it is. We only knew that we owed it to our authors to cover every possible market and we were determined to do so, even if it meant learning a whole new skill set. During the course of this learning curve, I learned a simple truth: formatting an ebook for Kindle was nearly identical to formatting an ebook for Smashwords. The only real difference was that Smashwords required an ISBN (easily attainable from them for free or a small fee, depending on whether you wish them or yourself as the holder of record) and Kindle did not. To expedite the process, I came up with a bulleted list on my computer that boiled down to seven simple steps. It guaranteed acceptance into Kindle and into the Smashwords Premium Catalog the first time every time (making our ebooks available to just about every reading device known to mankind at any given time, including Nook and iBooks). About a year ago, after running across numerous complaints of frustration from independent authors over how to format...
