Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

THE ECONOMICS OF SOCIAL POLICY (NEW EDITION)

Edward Elgar Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Economics of Social Policy (New edition), Peter G. Rosner, This unique book demonstrates how instruments of economics can be usefully employed to analyse social policy. The merits and limits of social policy programmes are discussed as answers to problems of market societies. Taking this enlightening approach the author addresses such key issues as access to health services, pension programmes, unemployment, poverty and family support. Microeconomic tools are used to evaluate the rationale behind these programmes, underpinning the theoretical propositions with strong empirical research. Unusually, economic values are shown to harmonise with, rather than condemn, ideas of social protection. Providing information about institutional structures of social policy programmes in many countries, this book will be a must for academics and students interested in social policy and the welfare state. Furthermore, those who want to follow the political and scientific discussion of social policy matters will find this book invaluable.
