## MODI AND THE WORLD: THE RING VIEW INSIDE OUT

Bloomsbury, New Delhi, 2016. Hardcover. Book Condition: New. 25 cms. 346pp. At the turn of the 21st century, just a decade since economic liberalisation, India was at the threshold of a changing geopolitical environment. The authors-ministers, diplomats, academicians and political analysts-have assessed the Prime Minister's bilateral and multilateral engagements across different regions. This volume will provide a rare but excellent opportunity for readers of politics and International Relations to delve into the complex world of foreign policy, and understand India's rise in the world order. This compendium will be highly influential in Indian and international policy circles, and will emerge as a point of reference for...
